New Manager Named for Roth's Market

BILL MICKA
New Roth's Manager

Named manager of Roth's Market here recently was 25-year-old Bill "Lucky" Micka, formerly assistant manager of the market here, and later manager of the Hawthorne market.

Micka succeeds C. J. Bohanan, who managed the market since its opening. Bohanan has been named manager of the Hawthorne market.

The new manager here has been with Roth's for seven years. He has lived in the South Bay area most of his life, and is no stranger to Torrance shoppers.

He attended Loyola High School and attended Loyola University and the University of Southern California. He once had his heart set on a medical career, but his ardor for medicine has cooled, he admits. He hasn't strayed far from the field, however. Mrs. Micka is a registered nurse.

Lucky is a veteran of three years' service with the Navy, where he was aboard the Aircraft Carrier Hornet. He left the service as an Ensign after serv-

Name of Gardena Justice Court Officially Changed to South Bay

An ordinance changing the name of the Gardena Justice Court to the South Bay Cities Township Justice Court was adopted by the Board of Supervisors Tuesday.

The new court building in Redondo Beach, which is nearing completion, will be available sometime in December, officials say.

The justice court, presided over by Judge John A. Shidler, is expected to move into the new quarters at the first of the year.

At the same session Tuesday the supervisors approved a license agreement with the Southern California Edison Company permitting the county to install a four-inch sewer line on Ed-

son property, west of the site on which the new court building is being constructed, which will be connected to the main trunk line.

Supervisor Raymond V. Darby, who urged the approval of this agreement, said that the action would expedite completion of the new court building.

El Camino Drama Students Preparing Fall Production

"The Winslow Boy," El Camino's fall play, will be presented in the new Inglewood High School auditorium, November 30, and Saturday, December 1 at 8:30 p. m.

El Camino college stages a fall play each year, and rehearsals for this year's offering are now in progress on the local campus.

"The Winslow Boy" is a comedy-drama based on an actual trial which took place in the British House of Commons prior to World War I. Terrence Rattigan wrote the play of which Dr. Gordon Orme, drama director at El Camino says, "This play has more dramatic quality and deeper characterizations than any play we have previously produced."

El Camino college has, in the past, performed all of its plays in the auditoriums of neighboring high schools. This is the first time a college dramatic production has been scheduled for Inglewood.

Local residents as well as college students will be invited to attend the play, the college advised.
